- 3.2 Subject to Cameraworks' and the Client's signature of the Schedule, the Client shall pay Cameraworks the Quote by either credit or debit card, or online via the payment portal (which Cameraworks shall email to the Client) on or prior to collection of the Equipment on receipt of appropriate invoices and to the

4 CHANGES & CANCELLATIONS

- 4.1 In the event that the Client requires any changes to the Equipment and/or the Hire Period (each, a **Change**) the Client shall confirm the same in writing to Cameraworks as soon as possible.
- 4.2 If such Change(s) will result in an increase in the Quote and/or an amendment to the Hire Period or the Payment Schedule, the Client will make payment of any such increase within 24 hours of receiving notice of the same from Cameraworks. Only upon receipt by Cameraworks of such payment shall this Agreement be deemed amended accordingly to include such Change(s). commencement of the Hire Period, any sums already paid to Cameraworks prior to the date of cancellation or termination shall be non-refundable and any sums due to be paid to Cameraworks under the Payment Schedule prior to the time of such cancellation shall be immediately paid and the Client shall further be required to pay to Cameraworks (to the extent not already paid) any verifiable costs incurred by Cameraworks in connection with the hire of the Equipment, and may incur a surcharge at Cameraworks' sole discretion.

5 DELIVERY

- 5.1 On Cameraworks' approval of the Client's identification (which identification the Client shall provide to Cameraworks prior to the Hire Period if requested) Cameraworks shall make available the Equipment for collection by the Client (unless otherwise agreed by Cameraworks in writing) from the location set out in the Schedule (**Collection Point**), in accordance with the dates set out in the Hire Period unless a Change has been previously agreed in accordance with clause 4 above or otherwise agreed in writing by both Parties. For the avoidance of doubt, Cameraworks reserves the right to withhold the Equipment until such identification has been approved.
- 5.2 Subject to clause 5.1, Cameraworks shall make the Equipment available for collection by the Client from 4.00pm the business day immediately prior to the Hire Period.
- 5.3 On the Client's physical receipt of the Equipment, the Client shall have a period of up to 24 hours (**Rejection Period**) in which to inform Cameraworks that the Equipment does not conform to the technical specifications set out in the Schedule or otherwise in this Agreement. In the event that Cameraworks are unable to remedy such defect, the Client shall be entitled to reject the Equipment. Any rejection of the Equipment must be set out by the Client in a written notice to Cameraworks (**Rejection Notice**) stating the reasons why the

Equipment does not conform to the requirements of this Agreement. If Cameraworks does not receive any Rejection Notice within the Rejection Period, the Client shall be deemed to have accepted the Equipment.

5.4 On receipt of a Rejection Notice, Cameraworks shall either dispute the Rejection Notice in accordance with clause 5.4 below or shall use its reasonable efforts to repair and/or replace, free of charge, the Equipment, as reasonably necessary, to ensure that the Equipment conforms to the requirements of the Rejection Notice and redeliver the Equipment to the Client. Thereafter, the provisions of this clause 5 shall apply to such redelivered Equipment.

5.5 Cameraworks shall be entitled to dispute any Rejection Notice upon its receipt of the same by providing the Client with the following (each a **Rejection Reply**):-

5.5.1 evidence that the Equipment does in fact conform to the requirements of this Agreement; or

5.5.2 evidence that any defect in the Equipment was caused by the Client incorrectly operating the Equipment or the Client attempting to remedy any default in the Equipment itself.

5.6 If the parties have not resolved any resulting dispute through good faith negotiations within 2 business days of Cameraworks' delivery of a Rejection Reply, the Client shall have the right to appoint an independent expert to arbitrate on the dispute, subject to Cameraworks' approval of such independent expert (such approval not to be unreasonably withheld). If the independent expert gives notice that Cameraworks' Rejection Reply is satisfactory, then the Client shall (i) accept the Equipment, (ii) pay to Cameraworks the costs of any replacements to the Equipment supplied by Cameraworks (even if not used by the client) and ancillary costs related thereto (e.g. transportation costs), and (iii) pay all of the independent expert's costs. If the independent expert directs Cameraworks to repair and/or replace the Equipment, as reasonably necessary, to ensure that the Equipment conforms to the requirements of this Agreement, then Cameraworks shall repair and/or replace the Equipment as necessary and shall pay all of the independent expert's costs unless the independent expert directs otherwise.
